

## **CFS Lecture Series**

The Center for Financial Studies and the Institute for Banking and Financial History (IBF) cordially invite you to attend the following event:

### **Monetary and Fiscal Policy in Interwar Germany. A Narrative Approach**

**Prof. Dr. Albrecht Ritschl**

Department of Economic History, London School of Economics

German fiscal and monetary policy across the interwar depression was characterized by both exogenous regime changes and paradigm shifts in the approach to macroeconomic policy. Alternative narrative identification assumptions are employed in a local projection approach to assess the relative importance of these two factors.

**13 June 2019**

**5:30 - 7:00 pm**

House of Finance, Room E.22, Campus Westend, Goethe University,  
Theodor-W.-Adorno-Platz 3, 60323 Frankfurt
